About Adichunchanagiri Shikshana Trust

Sri Adichunchanagiri Shikshana Trust was established in 1974 by Divine Soul His Holiness Jagadguru Padmabhushana Sri Sri Sri Dr. Balagangadharanatha Maha Swamiji. and lead by His Holiness Jagadguru Sri Sri Sri Dr. Nirmalanandanatha Maha Swamiji. Importance is given to impart three components of education - intellectual, spiritual & physical needs of students. With this vision, the trust has started over 500 educational units across the country, benefiting more than 1,00,000 students every year.

About SJBIT

SJBIT is established in the year 2001 with the blessings of His Divine Soul, Jagadguru Padmabhushana Sri Sri Sri Dr. Balagangadharanatha Mahaswamiji (Founder President) under the auspices of Sri Adichunchanagiri Shikshana Trust. It is one among the prestigious institutions being managed by the Trust. Sprawling across 50 acres of land; It is located amidst natural serene, 14 km from Bangalore city, near Kengeri. Affiliated to Visvesvaraya Technological University, Belgaum and approved by AICTE, New Delhi. SJBIT is accredited by NAAC with grade 'A'. SJBIT is committed to personal, social & intellectual growth emphasizing a comprehensive educational programme leading to high academic standards. SJBIT has bagged several Ranks from the University.

Department of Mechanical Engineering

The Mechanical Engineering Programme was started in the academic year 2009-2010 with an intake of 60 students. Department infrastructure includes spacious laboratories & Classrooms with modern equipments and state of art facility handled by trained and experienced teaching team. Owing to the demand, intake is increased from 60-120 along with Post Graduate programme in Machine Design and Research and Development centre from 2013-14.

Vision of the Department

To become a center of excellence and a platform in diversified fields for the aspirants in Mechanical Engineering.

Mission of the Department

1. To impart comprehensive education in the field of mechanical engineering to produce highly accomplished graduates
2. To endow high profile technical & soft skill trainings to foster professionalism and ethical values among students
3. To inculcate innovative thinking among students through projects and research work.

Introduction

In today's scenario, quality education is the prime requirement of every individual. To cater quality education, educational institutions have to be fully equipped with state of art laboratories, highly qualified faculty members and well defined system. To promote and recognize excellence in technical education, accreditation is a must for every institution. National Board of Accreditation [NBA] is an autonomous body with the objective of assurance of quality and relevance of education. Accreditation leads to global recognition of institution and also the students graduating out of it. Preparation for NBA accreditation process is a long journey and requires lot of brainstorming and interactive team works.

Program Objectives

This Workshop is basically designed for faculty members, who are working in Engineering Colleges in any branch of Engineering. The program includes emphasis on NBA SAR 2015 format, which entirely relies on outcome based education [OBE].

The Programme intends to make the participant understand the process of NBA accreditation process

and the audience will be exposed to both program level and institution level criteria's. Unlike other similar programs, this program aims to reach the crest of the NBA process.

Resource Persons:

NBA experts and committee members from various reputed institutions, nodal centers and consultancies.

Registration

The interested participants can get registered by paying Rs.600/- through DD drawn in favor of "The Principal, SJBIT," Payable at Bangalore or through online transfer [A/c No. : 2890101000976, IFSC code: CNRB0002890, Canara Bank , BGS Health & Education city Branch} along with the duly filled in registration form. 'NO' TA/DA will be paid for attending the program. For further details Contact coordinators. Last date for receipt of application is 12th July 2019. Number of participants is limited to 50 and participants are selected on first cum first serve basis.
