

7.3.1 Institutional Distinctiveness (2017-18)

Professional certification Programs and Soft Skills Training Programs:

Professional Certification Course speaks about the knowledge, skills and talents of a student in the subject area. It provides him official recognition which adds value to the student's resume and good employment opportunities. All the students of B.E. program have to undergo one certification courses minimum during their graduation Period.

Soft Skills and Aptitude Training for enhancing Placement Outcomes

SJB Institute of Technology, Bengaluru has a nearly 18 year's legacy of churning out students who are well accepted in the Industry in terms of the Academic Quality, Communication Skills, Aptitude and Logical reasoning skills, Sincerity, Attitude and Application orientation. With changing times and increase in competitiveness in the recruitment scenario and increasing expectations of Employers, SJBIT has introduced activities and programs to further enhance the quality of students in terms of Soft Skills and Aptitude preparedness. Doing this SJBIT desires to ensure an increasing trend in placement numbers and quality.
