**Dear Parents & Candidates,**

This is to draw your attention towards anti-social evil – ragging which is ruining the career of youths. It is the duty of all of us to do our best to eradicate this evil mentality from our society.

Preventive measures have been devised in the Institute to eliminate all possibilities of occurrence of such a ghastly incident even in its mildest form. The measures have been implemented effectively to rule out any incident of ragging to be attempted by senior students at any place inside the campus. For making ragging non-grata at SJBIT, all stakeholders viz. management, faculty, students and employees are involved to create an environment.

Our institute has been free from this menace because of the active cooperation of the faculty members, students, parents and staff. Also we are trying to make our campus free from all kinds of toxins i.e. consumption of liquor, tobacco, cigarette, chewing pan etc.

*In spite of this clean environment, it is our duty to caution the parents and students to complete the formality.* Involvement in the ragging activity in any form is a criminal offence and stringent measures have to be taken for curbing the menace of ragging in educational institutions. SJBIT administration is very conscious of its responsibilities.

We solicit valuable support of the parents, who is considered as a first teacher in the life of a young person. We expect them to advise and guide their ward accordingly.

It is hoped that with the support of all the stakeholders we shall continue to make our campus completely free from the evil of ragging.

*“Let us all join together to extinct the anti-social evil - ragging”*

**Dr. K V Mahendra Prashanth  
Principal**

## **Proactive Policy of the Institution on Ragging**

SJBIT has zero tolerance policy for ragging. The Institute views ragging, is an uncivilized, and inhuman practice. We do not subscribe to the view that one could wait till something happens in order to initiate stringent action. Any rigorous action in such cases may damage a young career. So we repose faith in averting such eventualities. For this, the Institute has proactive policy.

Preventive measures had been devised during last couple of years to eliminate all possibilities of occurrence of such a ghastly incident even in its mildest form. The measures have been implemented effectively to rule out any incident of ragging to be attempted by senior students at any place inside the campus. For making ragging non-grata at SJBIT, all stakeholders viz. management, faculty, students and employees are involved to create an environment.

- "Ragging in all its forms is totally banned in this institution including in its departments, constituent units, all its premises (academic, residential, sports, canteen/cafeteria and the like) whether located within the campus or outside and in all means of transportation of students whether public or private."
- Students and parents need not harbor undue apprehensions in this regard. They should report any incident immediately to the college authorities and stringent punishment will be meted out to the culprit(s).
- "IF any incident of ragging comes to the notice of the authority, the concerned student shall be given liberty to explain and if his / her explanation is not found satisfactory, the authority would subject him / her to suitable punishment."

To be vigilant on all the activities of the students in regard to ragging, we have formed anti-ragging squad, anti-ragging committee, student mentoring cell and student advisor group. The details of the same are given in this booklet. The first year students and parents can freely contact and seek help of any body at any time with respect to ragging. Measures taken by the institution is also mentioned in the subsequent pages in this book

Hoardings displayed at different places in the campus speak itself about the Institution concern towards curbing the menace of ragging.

As per the direction of the honorable Supreme Court of India, the institute will strictly follow the "AICTE Regulation (copy included in this book) on Curbing the Menace of Ragging in Educational Institutions".

In accordance with these regulations the affidavits from the students as well as parents / guardian are required on a stamp paper of Rs.10/- each separately. The Pro-forma for these affidavits are attached for your needful. For Hostel admission once again separate affidavit has to be executed by candidate and parent / guardian

These affidavits duly filled in, signed and sworn by student and parent/guardian are to be submitted at the time of registration. Until we receive these affidavits it may not be possible to register the student for the program. **However now submission of affidavits is made online and students / parents shall follow the procedure accordingly.**
