

S.T.I.C - AN INTRODUCTION

"SJB Institute of Technology has launched a newsletter focusing on its "Innovation Club". This is truly a great platform for students to collaborate and experiment with emerging technologies. It will ignite a sense of Research in the minds of young engineering students and it will be a platform for showcasing the activities of the students, whether it is Projects, Patents or Publications. It will also encourage the students to think "Out of the Box" and it will be a prism for the outside world to witness the Innovations of our students. I hereby wish the newsletter focusing on the "Innovation Club" of SJB Institute of Technology the very best of luck for their activities."

Dr. K.V. Mahendra Prashanth
Principal - SJB Institute of Technology

OBJECTIVE

- Focused on the prototype building and product development.
- Institutional support for publications and patents.
- Guidance from industry experts to participate in the state/national level tech events/forums.
- Integrating different engineering disciplines.
- Improves and encourages the innovative skills of individuals
- To explore, learn and share ideas and work on it.
- To gather committed students for collaboration.
- Exposure to the ground reality of the industry.
- Interaction and networking with alumni and domain experts.

Inauguration Event

With the blessings of Pujya Swamiji and support from Principal Dr. K.V. Mahendra Prashanth, we are proud to inaugurate the innovation club - S.T.I.C (SJBIT Technical and Innovation Club) in the CSE Seminar hall on 31st March 2023. The ceremony was graced by our esteemed principal who emphasized the importance of technology in today's world and encouraged students to actively participate in the club's activities. Our guest of honor, Aniketh Jain, co-founder and CEO of Solutions Infini Tech, delivered an inspiring speech on the impact of technology and importance of keeping up with the latest advancements.

The highlight of the ceremony was the unveiling of the club's logo, with the mission and objectives of the club. The ceremony also provided an opportunity for students to network with alumni and industry experts who were present. Our alumni shared their experiences & insights with students, providing valuable guidance on career paths, industry trends, and emerging techs.
