SJBIT is ranked one of top colleges in Karnataka, Ranked No. 5 in South India (Among VTU affiliated Private Engg. Colleges), based on all India 'Data Quest'- Cyber media research survey. SJBIT has been honored as "Excellent Training and Placement Institute in Karnataka" by VTU, Band Performer in Atal Ranking, 4-star rating in IIC (Ministry of HRD initiative - GoI). The institution has won the National employability award, Educational Excellence awards.

The institution offers 8 undergraduate programmes, 3 post graduate programmes (including MBA) and 10 departments have been recognized as research centers by VTU.

Vision

To become a recognized technical education centre with global perspective.

Mission

To provide a learning opportunity that fosters students ethical values, intelligent development in science and technology and social responsibility so that they become sensible and contributing members of the society.

About NICC

National Information and Cyber security Council (NICC) has been started with a great vision to safeguard the Nation from the current threats in the cyber space. The multi-dimensional structure of technology in the cyber space poses a great challenge in handling the complex problems in the cyber domain. National Information and Cyber security Council has taken visionary initiatives to curb and enervate the notoriously spreading cyber threats from various directions and dimensions.

National Information and Cyber security Council (NICC) works to create and sustain a safe cyber environment conducive to the development of our Nation, partnering with Government, Industry, Institutions & Individuals through advisory and consultative processes.

Members are from the private as well as public sectors, including MNCs, Enterprises, Academic Institutions, SMEs, Industry bodies & Individuals.

The mission of the NICC is to establish a multi-stakeholder consortium that brings together Corporates, State/Central Governments, Academics, Defense, MNCs, PSUs, Intelligence Agencies, Enforcement Agencies and etc., in an effort to improve the state of Cyber Security both at domestic and international level.
