IEEE Information Theory Society Bangalore Chapter

Webinar

on

IEEE Authorship Workshop

Webinar provides valuable advice to undergraduate students interested in learning more about publishing with IEEE and why publishing is important to their future careers. They will also learn about the IEEE Xplore Digital Library and the content available to assist in research. This free workshop will help students enhance their ability to get published and share their research with the scholarly community.

Resource Person

Dr. Chandrakanta Kumar

Senior Member, IEEE

09th November 2022

From: 06:00 pm
